

Statement of Compliance

ASTM Standards complied to:

Design and Testing of Fixed-Pitch or Ground Adjustable Propellers:	F2506-13
Quality Assurance:	F2972-15
Continued Airworthiness:	F2295-06
Required Product Information:	F2745-15

STERNA Aircraft, LLC hereby declares that its aircraft propellers or parts thereof, conform to the ASTM Standard Specification for the Design and Testing of Light Sport Aircraft Propellers in effect at the time of manufacture. No features or characteristics were found that would make the propeller unsafe for intended operation, provided it is installed, operated, unmodified and maintained in accordance with instructions and limitations as defined by STERNA Aircraft, LLC approved documentation.

This product also complies with the ASTM Standards listed above regarding our Quality Assurance System, Continued Airworthiness, and Required Product Information.
